- 4. It should be noted, however, that appropriations for the fiscal year 1954 have not been approved and it is not known whether funds requested will actually be made available to this Agency, and further as our 1954 budget provides only the sum of \$117,615 for work to be performed by the Library of Congress, it will be necessary if budget is approved to obtain from the Bureau of the Budget a release of \$178,344 from the Reserve for Contingencies.
